## Stay! HOTEL

**A**fter a fun filled day of play and excitement, the Seven Clans, Thief River Falls Hotel is a great place to relax in comfort. Our 151 rooms feature a comfortable cottage style decor complete with refrigerator, microwave, coffee maker, hair-dryer and large television. Relax in a standard suite or take pleasure in a room with a fireplace, balcony or Jacuzzi tub. Whichever type room you choose, your stay is always first class at the Seven Clans, Thief River Falls Hotel.

# Have Fun All Day! INDOOR WATER PARK

**T**he amazing Seven Clans Thief River Falls Indoor Water Park is packed with 40,000 square feet of fun and excitement for the whole family no matter what age. While you play in the casino, your entire family can make a splash in our huge indoor water park. Young children will love the wading pool with toys, games, and starter slides. Those who are a little older and adventurous will love our four indoor water slides, totaling 750 feet of pure excitement. And for those who just wish to unwind, grab a raft and float around the indoor water park on the 473-foot lazy river, complete with waterfalls and slow moving rapids. Or just loosen up and relax in one of our two giant Jacuzzi spas that accommodate up to 35 people. After you've dried off, you'll want to play some more in our fun filled arcade, which is packed with all of the most popular and thrilling games around.
